History

Schawk Inc.

Visual Identity Manager
February 2006–Present

Focusing on the Accenture client account, the position involves designing, reviewing, approving a variety of projects from around the world, training design agencies and internal marketing professionals in Accenture's visual identity, and maintaining an expert level of knowledge in all aspects of Accenture's brand. Key areas of expertise within the Accenture brand are internet marketing, web development, and multimedia design.

CB Richard Ellis

Freelance Designer
October 2005–January 2006

Project output involved designing materials for use in presentations to prospective clients while maintaining CBRE brand standards. Projects included posters, banners and brochures, as well as Flash presentations, and HTML newsletters.

Apple

iPod Genius
November 2004–May 2005

Worked at Apple's flagship store in Chicago as an iPod Genius, offering in-store technical support for iPods and Apple computers.

Playboy Enterprises

Digital Asset Management
May 2004–August 2004

Freelance project that involved managing a web-based archive of Playboy's image library.

TEAMS Design

Graphic Designer
December 2002–January 2004

Projects involved designing the company web site, brochure design, product photography, and packaging design.
